

**PRIORITY SKILLS LIST**  
(2018-19 Annual VET Investment Plan)

**NOTICES:**

- \* The Priority Skills List (formerly Queensland Training Subsidies List) contains qualifications and priority skill sets subsidised by government with the listed subsidy amounts paid directly to the pre-qualified supplier as set out in the associated policies. Additionally, each pre-qualified supplier determines student fees as a contribution towards the costs of training. The department encourages students as consumers to do their research when considering their training options with tips available online at [www.training.qld.gov.au/training/courses/studentguide/tips](http://www.training.qld.gov.au/training/courses/studentguide/tips).
- \* Certificate 3 Guarantee and Higher Level Skills Program Policies - Under "Who is eligible to receive training" includes this statement - "Any additional eligibility requirements will be based on industry advice or requirements under the relevant national training package...". PQS must refer to [www.training.gov.au](http://www.training.gov.au) for additional eligibility requirements for funded qualifications/priority skill sets.
- \* Priority Skill Sets are identified with the word "skill set" at the end of the training product name and applies to the Higher Level Skills program only.
- \* "Restricted Qualifications" are managed under special arrangements, only Pre-qualified Suppliers specifically authorised by the Department can deliver publicly-funded training for these qualifications.
- \* Registered Training Organisations must refer to the Australian Skills Quality Authority "General direction: Transition & teach-out" for transition and teach-out arrangements on superseded Training Packages and accredited courses.
