

PRIORITY SKILLS LIST

(Queensland VET Investment Programs 2022-23)

NOTICES:

- * Priority Skills List contains qualifications and priority skill sets subsidised by government with the listed subsidy amounts paid directly to the skills assure supplier as set out in the associated policies. Additionally, each skills assure supplier determines student fees as a contribution towards the costs of training. The department encourages students as consumers to do their research when considering their training options with tips available online at www.desbt.qld.gov.au/training/training-careers/courses/studentguide/tips.
- * Certificate 3 Guarantee and Higher Level Skills Program Policies - Under "Who is eligible to receive training" includes this statement - "Any additional eligibility requirements will be based on industry advice or requirements under the relevant national training package...". SAS must refer to www.desbt.qld.gov.au/training/providers/funded for additional eligibility requirements for funded qualifications/priority skill sets.
- * JobTrainer Fund priorities, pricing, information and conditions is published www.desbt.qld.gov.au/jobtrainer. SAS approved by DESBT to deliver JobTrainer qualifications and short courses must also refer to conditions set out in any variation notice issued to them by DESBT.
- * Free tafe - SAS may continue to enrol eligible students until 31 December 2020 who are currently eligible under Free tafe for Year 12 graduates. Those students already enrolled in Free tafe prior to 1 January 2021 may teach out in their existing qualification.
- * Free TAFE for under 25s - from 1 January 2021, Free TAFE for under 25s will be available for delivery by TAFE Queensland and CQUniversity only to eligible students. Further details and eligible qualifications are published <https://desbt.qld.gov.au/training/training-careers/incentives/freetafe>.
- * Priority Skill Sets are identified with the word "skill set" at the end of the training product name and applies to the Higher Level Skills program only.
- * "Restricted Qualifications" are managed under special arrangements, only Skills Assure Suppliers specifically authorised by the Department can deliver publicly-funded training for these qualifications.
- * DESBT is aware of all newly released training package qualifications that replace/supersede qualifications listed on the Priority Skills List and dates for any funding information is unable to be provided.
- * Registered Training Organisations must refer to the Australian Skills Quality Authority "General direction: Transition & teach-out" for transition and teach-out arrangements on superseded Training Packages and accredited courses.
- * Regional Location loadings - refer to the current Skills Assure Supplier Policy for the conditions.

Funding is primarily for the International Airport Screening Officer occupation for the listed PSL subsidies. Students can choose to enrol in the other occupations - Air Cargo Examination Officer (capped at 9 Units in Total), Maritime Screening Officer (capped at 13 Units in Total) or Domestic Airport Screening Officer (capped at 15 Units in Total) with PSL subsidies subject to the Total Units required to complete these specified occupations. Students may already hold a certificate III or higher level qualification not funded through the Certificate 3 Guarantee or Higher Level Skills programs. Students must meet the entry requirements listed on training.gov.au and additional requirements (including any associated costs/licences) with becoming a recognised screener. These arrangements are effective from 15 October 2021.
