

Queensland Subsidised Training List												
Version 2:- September 2025												
The Queensland Subsidised Training List identifies the qualifications and skill sets funded by the Queensland Government for delivery of SAS Programs including Career Start, Career Boost and VET in Schools programs.												
* Certificate I Traineeship qualifications - limited to Skilling Queenslanders for Work initiatives only (not for mainstream enrolments) with conditions on QTIS and on the department's Skilling Queenslanders for Work website.												
* DTET is aware of newly released training package qualifications that replace/supersede qualifications listed on the QSTL and future dates for the declaration of Apprenticeships and Traineeships along with funding cannot be provided.												
* Priority Skill Sets are identified with the word "skill set" at the end of the training product name.												
* Students enrolled in a qualification after the final date for new enrolments will not be funded irrespective of ASQA transition period end dates.												
* POL (Purchasing Online) - the ability to select a qualification is subject to funding being listed for the specific Group on the QSTL, any qualification restrictions, and subject to RTO current scope of registration in Queensland. SAS may request a variation to their delivery schedule/s as the qualifications become superseded, subject to them being listed for the respective Pathway as identified on the QSTL.												
* RTOs are to comply with the training package requirements including any specified entry requirements before enrolling prospective students.												
* RTOs must refer to the Australian Skills Quality Authority (ASQA) requirements to "Manage transition from superseded training products" and associated notices for qualifications. ASQA's published "When training products change" www.asqa.gov.au/rtos/change-rto-scope/when-training-products-change details the requirements to comply with transition arrangements of training package / accredited courses replaced by a newer version within ASQA transition periods. The department does not fund training and assessment services for training package qualifications or accredited courses beyond ASQA's transition / teach out period.

Transport & Distribution - Aviation	Certificate II in Transport Security Protection	AVI20118	General Training	01/07/2025	26/05/2026	26/05/2026	17	0			No	Students may enrol directly into this qualification. Students may access funding for AVI20118 or CPP20218 Certificate II in Security Operations not both qualifications. Certificate II Training and Support Plans are not required unless students are assessed as a disadvantaged learner. Funding is primarily for the International Airport Screening Officer occupation for the listed subsidies. Students can choose to enrol in the other occupations - Air Cargo Examination Officer (capped at 9 Units in Total), Maritime Screening Officer (capped at 13 Units in Total) or Domestic Airport Screening Officer (capped at 15 Units in Total) with subsidies subject to the Total Units required to complete the specified occupations. Students may already hold a certificate III or higher level qualification not funded through the Certificate 3 Guarantee, Higher Level Skills programs or SAS Programs for General Training. Students must meet entry requirements listed on training.gov.au and additional requirements (including any associated costs/licences) with becoming a recognised screener. These arrangements are effective from 15 October 2021.
Transport & Distribution - Aviation	Certificate II in Transport Security Protection	AVI20325	General Training	29/09/2025			11	0			No	Students may enrol directly into this qualification. Students may access funding for AVI20325 or CPP20218 Certificate II in Security Operations not both qualifications. Certificate II Training and Support Plans are not required unless students are assessed as a disadvantaged learner. Funding is primarily for one occupation, the Airport Screening Officer occupation for the listed subsidies. Students can choose to enrol in one of the other occupations - Air Cargo Examination Officer (capped at 9 Units in Total), Maritime Screening Officer (capped at 11 Units in Total) with subsidies subject to the Total Units required to complete these specified occupations. Students may already hold a certificate III or higher level qualification not funded through the Certificate 3 Guarantee or Higher Level Skills programs or SAS Programs for General Training. Students must meet the entry requirements listed on training.gov.au and additional requirements (including any associated costs/licences) with becoming a recognised screener.
